

Blue Ribbon Mentor mission?

The mission of the Blue Ribbon Mentor Advocate program is to advocate and provide culturally enriching experiences, academic support, and leadership development opportunities for scholars of color through a mentoring program that partners with families and the community. - BRMA

Mentors of the BRMA work one-on-one with a scholar, and they make a commitment to spend at least two hours per week with their scholar. They work with the scholar's family as well to provide advocacy, encouragement, enrichment, and support.
